 Join us for the Summer
 Feeding Program!
 10:45-12 everyday, June 4th-Aug 3rd.
 FREE LUNCH for kids, \$3 for Adults!
 Closed for week of 4th and July 28th,
 for training.

The National School Lunch Program recognizes the need for healthy meals to recharge our kids, and their minds. NSLP offers free or reduced prices to those who qualify. Just ask for information! Be aware that a meal must contain 3 of the 5 daily offered components (including a fruit or vegetable), in order for the NSLP to approve a meal at a reduced/ free or full priced meal. If the tray does not contain the necessary components (including a fruit or vegetable), it will be priced Ala Carte and will likely cost more. If your child brings his/her lunch and just wants a milk, please be sure they have 50 cents cash or a positive account for their purchase. Milk alone will not qualify as a free or reduced meal. Questions about the program? Contact Marie Hasler at 812-384-2401 or email mhasler@bsd.k12.in.us Follow us on Facebook or Twitter where the menu is posted in the cover photo at all times!
