Peach Cup

The National School Lunch Program recognizes the need for healthy meals to recharge our kids and their minds. We offer free or reduced prices to those who qualify. Just ask for information! Be aware that a meal **MUST** contain **3** of the **5** daily offered components, with **one** being a **fruit** or **vegetable**, in order for the NSLP to approve a meal at a reduced or full price. If the tray does not contain the necessary components, it will be priced as Ala Carte and likely cost more. If your child brings their lunch and just wants milk, please be sure they have 50 cents cash or a positive lunch account for their purchase. Milk alone will not qualify as a free or reduced meal.

BREAKFAST

NOVEMBER 2017

Bloomfield School

Did you know? We offer a full cup of fruit for breakfast. You may take one fruit juice and one fruit serving every day!

This institution is an equal opportunity provider.

The National School Lunch/Breakfast Program recognizes the need for a healthy complete breakfast for a good start to the day! In order for a breakfast to be complete, a meal must contain 3 of the four daily items offered. One item, must be Fruit or Fruit Juice. Some items, such as a biscuit or breakfast pizza counts as 2 items, due to the amount of grain or protein. Without the fruit and having three items, items must and will be priced separately. Encourage your child to take the full meal, as often times, only 2 items will cost more than getting the whole meal. We offer "alternate entrée" options on both grade school and high school breakfast lines. We offer 1% White EE
