28  
 Pizza Burger  
 Corn  
 Sweet Potatoes  
 Peaches, Milk

The National School Lunch Program recognizes the need for healthy meals to recharge our kids, and their minds. NSLP offers free or reduced prices to those who qualify. Just ask for information! Be aware that a meal must contain 3 of the 5 daily offered components, with one being a fruit or vegetable, in order for the NSLP to approve a meal at a reduced/free/ or full priced meal. If the tray does not contain the necessary components (including a fruit or vegetable), it will be priced Ala Carte and likely cost more. If your child brings their lunch and just wants a milk, please be sure they have 50 cents cash or a positive account for their purchase. Milk alone will not qualify as a free or reduced meal. Questions about the program? Contact Marie Hasler at 812-384-2401 or email [mhasler@bsd.k12.in.us](mailto:mhasler@bsd.k12.in.us) Follow us on Facebook or Twitter, where the menu is posted in the cover photo at all times! The National School Lunch/Breakfast Program recognizes the need for a healthy, complete breakfast for a good start to the day! In order for a breakfast to be complete, a meal must contain 3 of the 4 daily items offered. One item, must be a Fruit or Fruit Juice (although a meal comes with both). Some items, such as a biscuit or breakfast pizza counts as 2 items, due to the amount of grain or protein. Without the fruit and having three items, items must and will be priced separately. Encourage your child to take the full meal, as often times, only 2 items will cost more than the whole meal. We offer "alternate entrée" options on both grade school and high school breakfast lines. We offer 1% White Milk, 1% Chocolate, or FF Strawberry Milk.
